Dear Shareholder,

ANNUAL GENERAL MEETING

I am pleased to announce that the Company's 2016 Annual General Meeting ("AGM") will be held at 21 Tudor Street, London EC4Y 0DJ at 11:00am on 6 June 2016. The notice convening the AGM providing particulars of the resolutions on which you can vote and details of the administrative arrangements we have made for the AGM are set out on the following pages.

Each of the resolutions to be put to the meeting will be voted on by poll and not by show of hands. A poll reflects the number of voting rights exercisable by each member and so the Board considers it a more democratic method of voting and in line with best practice. If you are unable to attend the AGM you can still use your vote if you appoint a proxy. Details of how shareholders are able to vote by proxy at the AGM are included in the Explanatory Notes at the end of the notice included with this letter and on the proxy form. Please note all proxy forms, whether completed electronically or on paper, must be received by the Company's registrar not less than 48 hours before the start of the AGM.

Your Directors believe that all the proposals to be considered at the AGM are in the best interests of both the Company and its shareholders. They unanimously recommend shareholders to vote in favour of all the resolutions set out in the notice. Your Directors will all be voting in favour of the resolutions in respect of their own shareholdings.

The results of the poll will be published via a Regulatory News Service announcement and on the Company's website as soon as possible after the conclusion of the AGM.

EXPLANATORY NOTES TO THE NOTICE OF ANNUAL GENERAL MEETING

The Directors believe that the proposed resolutions are in the best interests of the Company and its members and unanimously recommend members to vote in favour of the proposed resolutions, as the Directors intend to do in respect of their own beneficial shareholdings.

The notes on this page give an explanation of the proposed resolutions.

Resolutions 1 to 13 (inclusive) are proposed as ordinary resolutions. This means that for each of those resolutions to be passed, more than half of the votes cast must be in favour of the resolution. Resolutions 14 to 16 (inclusive) are proposed as special resolutions. This means that for each of those resolutions to be passed, at least three-quarters of the votes cast must be in favour of the resolution.

Resolution 2

The Report of the Remuneration Committee for the year ended 31 December 2015 is contained on pages 35 to 49 of the Annual Report and Accounts 2015.

The Remuneration Policy was approved by shareholders at the Annual General Meeting in 2014 and applies for three years. The Company is not able to make a remuneration payment to a current or prospective Director or a payment for loss of office to a current or past Director, unless that payment is consistent with the policy or has been approved by a resolution of the members of the Company.

Pages 40 to 49 of the Annual Report and Accounts 2015 form the Annual report on remuneration, which shareholders are asked to approve. The vote is advisory, and the Directors' entitlement to remuneration is not conditional on it.

Resolutions 3 to 8 – re-election of Directors

In accordance with the UK Corporate Governance Code all of the directors eligible for re-election, except for Humphrey Price who is retiring from the Board, are offering themselves for re-election, and will continue to do so annually. Biographical details for each of the Directors standing for re-appointment and appointment are given on page 25 of the Company's 2015 Annual Report and Accounts. In addition, current biographical details for each Director are maintained at www.hansteen.co.uk

Following a Board evaluation exercise in 2015, the Board believes that all Directors remain as effective members of the Board and demonstrate commitment to their roles and the Board recommends their reappointments.

Resolutions 9 to 10 – election of new Directors

As part of the process of succession planning for Non-Executive Directors David Rough and Margaret Young were welcomed to the Board on 1 October 2015 and are seeking election by shareholders at the AGM for the first time.

Resolution 13 – section 551 authority

At the Annual General Meeting held on 8 June 2015, members passed a resolution giving the Directors authority to generally and unconditionally allot equity securities up to an aggregate nominal amount of £22,854,438 which represented approximately one-third of the issued share capital of the Company at that time.

In order to allow maximum flexibility, the Company proposes to renew this authority to give Directors authority to allot equity securities up to:

(a) an aggregate nominal amount of £24,857,597, representing approximately one-third of the Company's existing share capital as reduced by the nominal amount of any shares allotted or rights granted pursuant to the authority set out in sub-paragraph (b) of this Resolution in excess of £24,857,597; and

(b) an aggregate nominal amount of £49,715,194, representing approximately two-thirds of the Company's existing share capital, in connection with a pre-emptive offer by way of a rights issue to shareholders only, as reduced by the nominal amount of any shares allotted or rights granted pursuant to the authority set out in sub-paragraph (a) of this Resolution.

The authority granted by this Resolution 13 will remain in force until the date 15 months after the passing of this resolution or, if earlier, the conclusion of the Annual General Meeting of the Company to be held in 2017.

The increased authority requested by sub-paragraph (b) is in accordance with the latest institutional guidelines issued by The Investment Association (the "IA Guidelines"). The IA Guidelines state that the Investment Association's members will regard as routine resolutions seeking authority to allot shares representing up to two-thirds of the Company's share capital, provided any amount in excess of one-third of the Company's share capital is only used to allot shares pursuant to a fully pre-emptive rights issue.

The Company does not have any present intention to exercise the authority set out in Resolution 13, but considers it prudent to maintain the flexibility that this authority provides. If the Company does exercise this authority, the Directors intend to follow the recommendations of the Investment Association in doing so. It is envisaged that the Directors will seek to renew this authority annually.

Resolution 14 – disapplication of pre-emption rights

At the Annual General Meeting held on 8 June 2015, members passed a resolution giving the Directors authority to disapply the pre-emption requirements for allotments of equity securities of up to an aggregate nominal value of £3,428,166 representing approximately 5% of the Company's issued share capital.

In order to allow maximum flexibility, the Company proposes to grant the Directors authority to allot shares for cash consideration either:

(a) by way of a rights or other pre-emptive issue; or

(b) without first offering them to existing shareholders by way of a rights or other pre-emptive issue, up to an aggregate nominal value of £7,457,279, representing approximately 10% of the Company's issued share capital as at the date of this letter, provided that equity securities in excess of the aggregate nominal value of £3,728,640 will be allotted only in connection with an acquisition or specified investment.

The 10% authority under (b) reflects the Pre-Emption Group's Statement of Principles on pre-emption rights issued last year (the "Principles") which are supported by the Investment Association and the National Association of Pensions. In addition to the routine 5% authority previously permitted, the Principles allow the Company to seek authority to disapply pre-emption rights over a further 5% of the issued ordinary share capital, provided that this authority will only be used for the purpose of:

(i) an acquisition; or

(ii) a specified capital investment in respect of which sufficient information regarding the effect of the investment on the Company, the assets that are the subject of the investment and (where appropriate) the profits attributable to those assets is made available to shareholders to enable them to reach an assessment of the potential return on the investment,

in each case, which is announced contemporaneously with the issue or which has taken place in the preceding six month period and is disclosed in the announcement of the issue.

The authority would, if granted, expire at the conclusion of the Annual General Meeting held in 2017.

The Directors have no current plans to utilise either of the authorities sought by Resolution 14, although they consider their renewal appropriate in order to retain maximum flexibility to take advantage of business opportunities as they arise. If the Company does exercise this disapplication, the Directors intend to consider the Principles in doing so. It is envisaged that the Directors will seek to renew this authority annually.

Resolution 15 – market purchase of own shares

Under resolution 15, it is proposed to authorise the Company to make market purchase of its own shares as permitted by the Companies Act 2006. This resolution gives the Company the authority to buy back up to 74,572,790 Ordinary Shares, representing approximately 10% of the Company's issued share capital as at the date of this letter. The maximum price per Ordinary Share payable on the exercise of the authority shall not be more than an amount equal to 105% of the average of the middle market quotations for an Ordinary Share of the Company as derived from the London Stock Exchange Daily Official List for the five business days immediately preceding the day on which the Ordinary Share is contracted to be purchased or an amount equal to the higher of the price of the last independent trade of an Ordinary Share of the Company and the higher current independent bid for an Ordinary Share of the Company on the trading venue where the purchase is carried out.

The minimum price payable shall be £0.10 per Ordinary Share. It is envisaged that the Directors will seek to renew this authority annually. The Directors will only implement purchases of Ordinary Shares if, after careful consideration, they are satisfied that such purchases are in the best interests of the Company and its shareholders generally and would result in an increase in expected earnings per share. If such purchases are made, to the extent the purchased shares are held as treasury shares, any increase in earnings per share might only be temporary, depending on whether the shares in question are cancelled, sold or transferred out of treasury. Furthermore, account will be taken of the overall financial implications for the Company.

As at 27 April 2016, options and awards to acquire Ordinary Shares granted under the Company's employee share schemes were outstanding over a total of 4,842,561 Ordinary Shares. This number being equivalent to 0.65% of the issued share capital of the Company at that date. If the Directors were granted this authority to purchase Ordinary Shares and were to use it in full and subsequently cancelled such Ordinary Shares, the outstanding options and awards would be equal to 0.72% of the then issued share capital of the Company. This assumes no further equity issues or exercise of options take place.

Resolution 16 – notice period for general meetings (other than annual general meetings)

Although the Company's Articles of Association already grant the Company the authority to call general meetings (other than annual general meetings) on 14 days' notice, under Directive 2007/36/EC of the European Parliament and of the Council of 11 July 2007, this authority is required to be approved by shareholders annually, otherwise a minimum of 21 days' notice must be given. The Directors believe it is in the best interests of shareholders to preserve the shorter notice period.

NOTES:

- (1) Any member entitled to attend and vote at the Annual General Meeting may appoint a proxy to attend, speak and vote on his/her behalf. A member may appoint more than one proxy in relation to the Annual General Meeting provided that each proxy is appointed to exercise the rights attached to a different share or shares of the member. A proxy need not be a member of the Company. To appoint more than one proxy you may photocopy the proxy form and indicate on each form the proxy holder's name and the number of shares in relation to which they are authorised to act as your proxy (which, in aggregate, should not exceed the number of shares held by you). Please also indicate if the proxy instruction is one of multiple instructions being given. All forms must be signed and should be returned together in the same envelope. A member entitled to attend and vote at the meeting is entitled to appoint a proxy to attend and, on a poll, vote instead of him. A form of proxy is enclosed with this notice.
- (2) Proxy Forms should be lodged with the Company's Registrar, Capita Asset Services, PXS, 34 Beckenham Road, Beckenham, Kent BR3 4TU or submitted not later than 48 hours, excluding non-working days, before the time for which the Annual General Meeting is convened or, as the case may be, the adjourned meeting. Completion of the appropriate Proxy Form does not prevent a member from attending and voting in person if he/she is entitled to do so and so wishes. Proxies may be lodged electronically using Capita's Share Portal service at www.capitashareportal.com where full instructions are given. The investor code printed on the Proxy Card will be required.
- (3) Any corporation which is a member of the Company can appoint one or more corporate representatives who may exercise on its behalf all of its powers as a member provided that they do not do so in relation to the same shares.
- (4) In accordance with Section 325 of the Companies Act 2006 ('the Act'), the right to appoint proxies does not apply to persons nominated to receive information rights under Section 146 of the Act. Persons nominated to receive information rights under Section 146 of the Act who have been sent a copy of this notice of meeting are hereby informed, in accordance with Section 149(2) of the Act, that they may have a right under an agreement with the registered member by whom they were nominated to be appointed, or to have someone else appointed, as a proxy for this meeting. If they have no such right, or do not wish to exercise it, they may have a right under such an agreement to give instructions to the member as to the exercise of voting rights. Nominated persons should contact the registered member by whom they were nominated in respect of these arrangements.
- (5) In the case of joint holders, the vote of the senior who tenders the vote whether in person or by proxy will be accepted to the exclusion of the votes of the other joint holders and for this purpose seniority will be determined by the order in which names stand in the Company's relevant register of members for certificated or uncertificated shares of the Company (as the case may be) ('the Register') in respect of the joint holding.
- (6) In accordance with Regulation 41 of the Uncertificated Securities Regulations 2001, the Company gives notice that only those Ordinary Shareholders entered on the Register at 6:00pm on Thursday, 2 June 2016 ('the Specified Time') will be entitled to attend or vote at the Annual General Meeting in respect of the number of shares registered in their name at that time.

Changes to entries on the Register after the Specified Time will be disregarded in determining the rights of any person to attend or vote at the Annual General Meeting. Should the Annual General Meeting be adjourned to a time not more than 48 hours after the Specified Time, that time will also apply for the purpose of determining the entitlement of members to attend and vote (and for the purpose of determining the number of votes they may cast) at the adjourned Annual General Meeting. Should the Annual General Meeting be adjourned for a longer period, then to be so entitled, members must be entered on the Register at the time which is 48 hours before the time fixed for the adjourned Annual General Meeting or, if the Company gives notice of the adjourned Annual General Meeting, at the time specified in the notice.
- (7) CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the Annual General Meeting and any adjournments of it by using the procedures described in the CREST Manual.
- (8) CREST personal members or other CREST sponsored members, and those CREST members who have appointed voting service provider(s), should refer to their CREST sponsors or voting service providers, who will be able to take the appropriate action on their behalf.
- (9) For a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message ('a CREST Proxy Instruction') must be properly authenticated in accordance with Euroclear UK & Ireland Limited's specifications and must contain the information required for those instructions as described in the CREST Manual. The message, regardless of whether it relates to the appointment of a proxy or to an amendment to the instruction given to the previously appointed proxy, must, to be valid, be transmitted so as to be received by the Company's agent (RA10) by the latest time for receipt of proxy appointments specified in the notice of meeting. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the Company's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. No messages received through the CREST network after this time will be accepted. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

- (10) CREST members and, where applicable, their CREST sponsors or voting service providers should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will, therefore, apply in relation to the input of CREST Proxy Instructions. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed voting service providers, to procure that its CREST sponsors or voting service providers take) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.
- (11) The following documents will be available for inspection during normal business hours at the registered office of the Company on any weekday (Saturday and public holidays excluded) from 27 April 2016 until the time of the Annual General Meeting and for at least 15 minutes prior to the Annual General Meeting and during the Annual General Meeting:
- (i) copies of service contracts and letters of appointment of the Directors of the Company; and
 - (ii) the register of interests of the Directors in the share capital of the Company.
- (12) The 248,575,970, Ordinary Shares (nominal value: £24,857,597) specified in resolution 13(i) above represent approximately one-third of the Company's issued share capital as at the date of the Notice of Annual General Meeting.
- (13) The 37,286,400 Ordinary Shares (nominal value: £3,728,640) specified in resolution 14(ii) above represent approximately 5% of the Company's issued share capital as at the date of the Notice of Annual General Meeting.
- (14) As at 26 April 2016 (being the last business day prior to the publication of this notice), the Company's issued share capital consists of 745,727,907 Ordinary Shares, carrying one vote each. As at 26 April 2016 the Company holds 1,533,573 shares in treasury. Therefore, the total voting rights in the Company as at 26 April 2016 are 744,194,334.
- (15) Under section 319A of the Act, shareholders have the right to ask questions at the Annual General Meeting relating to the business of the meeting and for these to be answered, unless such answer would interfere unduly with the business of the meeting or involve the disclosure of confidential information or if the answer has already been published on the Company's website or if it is not in the interests of the Company or the good order of the meeting that the question be answered.
- (16) Members have the right, under section 338 of the Act, to require the Company to give its members notice of a resolution which the shareholders wish to be moved at an annual general meeting of the Company. Additionally, members have the right under section 338A of the Act to require the Company to include a matter (other than a proposed resolution) in the business to be dealt with at the Annual General Meeting. The Company is required to give such notice of a resolution or include such matter once it has received requests from members representing at least 5% of the total voting rights of all the members who have a right to vote at the Annual General Meeting or from at least 100 members with the same right to vote who hold shares in the Company on which there has been paid up an average sum per member of at least £100. This request must be received by the Company not later than six weeks before the Annual General Meeting or, if later, the time at which notice is given of the Annual General Meeting. In the case of a request relating to section 338A of the Act, the request must be accompanied by a statement setting out the grounds for the request.
- (17) Pursuant to section 527 of the Act, where requested by either a member or members having a right to vote at the Annual General Meeting and holding at least 5% of the total voting rights of the Company or at least 100 members having a right to vote at the meeting and holding, on average, at least £100 per member of paid up share capital, the Company must publish on its website a statement setting out any matter that such members propose to raise at the meeting relating to the audit of the Company's accounts that are to be laid before the meeting. Where the Company is required to publish such a statement on its website, it may not require the members making the request to pay any expenses incurred by the Company in complying with the request. It must forward the statement to the Company's auditors no later than the time the statement is made available on the Company's website and the statement may be dealt with as part of the business of the meeting. The business which may be dealt with at the Annual General Meeting includes any statement that the Company has been required, under section 527 of the Act, to publish on its website.
- (18) Except as provided above, members who wish to communicate with the Company in relation to the Annual General Meeting should do so in writing to the Company Secretary at the Company's registered office address. No other methods of communication will be accepted. In particular you may not use any electronic address provided either in this notice of meeting or in any related documents to communicate with the Company for any purposes other than those expressly stated.
- (19) A copy of this notice and the other information required by section 311A of the Act can be found at www.hansteen.co.uk.
